MEMORANDUM FOR: Information Review Officer, DI

FROM: Chief, Classification Review Division
Office of Information Services, DDASUBJECT: Department of State Draft, FRUS
Volume VIII, 1955-57, Near East

25X1

1. Attached in ANNEX A are 12 complete or partial NIE/SNIE texts taken from the draft of the Department of State's Foreign Relations of the United States; Volume VIII, 1955-57, Near East. Other, non-estimate, documents in the FRUS do not appear to concern the DI. (U)

2. CRD has reviewed the texts and compiled Worksheet A, listing present classification status and recommendations for action on each. (U)

3. Also attached is ANNEX B, listing NIE/SNIE title citations in the body and footnotes of Volume VIII. No texts are involved. To determine the releaseability of the various titles, CRD has reviewed the full text of each NIE/SNIE cited. Worksheet B lists the title citations by page and recommends a classification action on each citation. (U)

4. We request your overall review as soon as possible in order that we may return this material to the State Department. Please return the draft pages to CRD, along with your comments. CRD may later have supplementary pages from this volume of FRUS for your review, because illegible pages are in the process of being resubmitted by State Department to CRD. (U)

5. We have attached only those pages from the FRUS that we had problems with; the entire volume of 3,200 pages is available for your review if you desire. The documents are those judged of interest; a package of other documents has already been forwarded to the DO. (U)
